TO WHOM SO EVER IT MAY CONCERN

Date: May 18, 2007

We have been using GRIMM Dust Monitor for simultaneous measurement of PM-10, PM-2.5 and PM-1 in weather housing since last four years.

We are very much satisfied with the performance of this Dust Monitor. We are also very much satisfied with the after-sales services being provided by M/s. AlfaTech Services, New Delhi for this unit.

Anuradha Shukla
